ABL to launch built-up floors

Ansal Buildwell Limited (ABL) is planning a new housing series in Sushant Lok II and III. To be called Florence Residency, the project will have 75 built-up floors and will comprise 4BHK units of sizes 1600 sq ft to 2000 sq ft. The average cost of each unit will be over

₹1 crore. It will also be launching Florence Abode. These are 4BHK units of size 400 sq yard. The cost of these units is over ₹5 crore.

In Amritsar, the company has introduced villas in its fully developed township called Ansal City. These 100 villas will be of sizes 200 sq yard to 500 sq yard and the price will range from ₹40 lakh to ₹2 crore, informs K K Tripathi, vice president, sales and marketing, ABL.
